

PROTEST · RESIDENCE LEGALIZATION

WE DON'T WANT TO WAIT FOR YEARS

The state accepts your application, takes your fee — and leaves you without a decision for years.

MONDAY · 7 SEPTEMBER 2026

16:30–18:00

Pomorski Urząd Wojewódzki
Pomeranian Voivodeship Office
ul. Chmielna 74/76, Gdańsk

The assembly is legal and officially notified. Participation rules apply — they are on the website.

**COME. THE MORE OF US,
THE HARDER WE ARE TO IGNORE.**

We have 16 demands. The three most important:

- 1 A public plan to reduce the backlog and open data on waiting times** — with deadlines, targets and monthly results.
- 2 Real, enforceable deadlines** — and effective protection against inaction and undue delay.
- 3 Efficient and equal procedures** — with clear rules and deadlines for everyone.

1,412 DAYS TO A DECISION

That is how long **one** case took here. The Administrative Court in Gdańsk ruled it **inaction in gross violation of the law**.

On average, a residence decision takes more than two years.
